

**Sale Name:** Saints Peter & Paul School Fundraiser

**LOT 32 - Wooden Acoustic Panel Sound Diffuser/Functional Art**

**Description**

donated by The Collective (Josh Osteen) A custom made piece of functional wall art, comprised of ~575 individually cut 1.5" square blocks varying in height, measuring ~ 24" x 48" overall . Ambient light reflects across the angled and flat surfaces of the strategically placed matte and gloss black blocks, adding a unique touch to any room. A truly versatile piece of modern art that will compliment a variety of interior stylings. The panel doubles as a functional sound diffuser that will help dampen and absorb residual noise. Prepared for vertical or horizontal hanging.
